

Science & Engineering Communication Fellowship Short Course Application | Spring 2020

Name:
Employer or Affiliated Institution:
Position:
Phone number:
Email address:
Professional memberships:

Briefly describe your current work, science research, or area of expertise:

Why are you interested in participating in this program?

Professional development workshops will prepare Fellows to effectively communicate with the public about their work and research, both at the Discovery Museum and in the broader community.

- Attend two 5-hour professional development workshops at the Discovery Museum
 - **Saturday, March 14 and Saturday, March 28 from 10:00 am to 3:00 pm**
- Consult with education professionals to develop a hands-on activity related to your work, and test your hands-on prototype with Discovery Museum educators
 - **End of March through April**
- Meet with the public to share your research and activities during a Free Friday Night at the Museum
 - **Friday, May 1, from 5:00 pm to 8:00 pm**

I understand and agree to the commitments above.

I cannot commit to the upcoming session, but I am interested in learning more.

Please submit application to Elizabeth Leahey, Director of STEAM Education, by February 14, 2020. Contact eleahey@discoveryacton.org or call 978-264-4200 x119 with questions. Space is limited. Thank you!
