

Backyard and Beyond

Full Moon Walks

Each month, on the night of the full moon, take a walk to enjoy the wonder of the night sky. The exact date of each full moon changes from year to year, but you can find a list of the dates online: <https://www.almanac.com/astromy/moon/full>

Make sure you're properly dressed for the weather, and if you can, bring a flashlight to help navigate your path.
