

### **Brain Building Together (BBT) Explorer**

The *Brain Building Together (BBT)* Explorer operates the BBT early childhood museum exhibit for caregivers and children ages birth-3 by ensuring safety, cleanliness, and an enjoyable visitor experience. This position supports the exhibit's educational goals by engaging caregivers in conversations about children's learning.

### **Essential Responsibilities**

- Engage with families in the Brain Building Together exhibit in positive and supportive ways in order to promote enjoyable and meaningful visitor experiences.
- Extend caregivers' experience in the exhibit through casual conversations and play while helping them understand their role in their child's healthy development.
- Work with the Brain Building Team to provide feedback on, further develop, and implement a high-quality learning and play environment for families with children aged birth to 3 years.
- Collaborate with the BBT Team to maintain documentation and observations on display in the exhibit to celebrate Brain Building Moments and encourage adult visitor participation.
- Maintain a welcoming, safe, and clean exhibit environment.
- Support the guiding principles and goals of the BBT exhibit and the Discovery Museum's mission.
- Participate in and contribute to staff meetings and trainings.
- Be able to staff other science and play-based Museum exhibits by engaging family visitors and maintaining a safe and clean environment, as needed.

### **Qualifications**

- Ability and interest in working with caregivers and young children ages birth – 3 years
- Demonstrated ability to communicate with, and support, diverse families of young children
- Background in early childhood education and child development
- Professional experience as a parent educator, infant/toddler educator, or family support provider
- Excellent interpersonal, communication, and customer service skills
- Ability to uphold Discovery Museum's COVID-19 safety policies and procedures
- Preferred: Bachelor's degree in a related field
- Preferred: Experience with music education, storytelling, or other enrichment area
- Preferred: Speaks a language other than English
