

PLAY *it Forward*

Join us for Discovery Gala 2019!

Wear your jeans
and bring your curiosity!

Every child deserves to create, invent, discover, learn, and play—and Discovery Museum is committed to making that a reality for all kids. Each year, we serve a quarter of our audience for free or at low cost through programs tailored to the unique needs of children with disabilities or limited financial means. That's nearly 50,000 people in 2018 who, thanks to the generous support of our donors, experienced our hands-on, playful approach to learning without the barrier of cost.

With your help this year, we will continue to serve more children and families for free than ever. Let's *Play it Forward* and make sure that every kid has access to the critical, early experiences in science, nature, and play that make a real difference!

Guests at *Discovery Gala: Play it Forward* will put their ingenuity, curiosity, and creativity to the test with our interactive exhibits and showcase of Discovery Museum pop-up programs like TinyTropolis, Take-Aparts, and Icy Investigations—all while enjoying an open bar and a gourmet menu that honors the diversity of our community and the playful tastes of childhood.
