

Program Fees

Workshops are 45 or 60 minutes depending on the topic. Any 45-minute workshop can be extended to 60 minutes.

- The first 45-minute workshop is \$375; each additional workshop held on the same day is \$90. Maximum of 5 workshops in one day.
- The first 60-minute workshop is \$435; each additional workshop held on the same day is \$100. Maximum of 4 workshops in one day.

Materials Fees

Bubbles	\$35/class
Chemistry Lab	\$35/class
Dinosaurs	\$35/class
Earth Science	\$45/class
Electromagnetism	\$50/class
Flight	\$35/class
Force & Magnetism*	\$50/class
Force & Motion*	\$35/class
Keeping Cool: Green Engineering*	\$35/class
Light & Color	\$35/class
Light & Lasers	\$35/class
Liquids & Solids	\$35/class
Magnets	\$50/class
Microscopes & Magnification	\$35/class
Physical Changes of Matter I	\$220/day
Physical Changes of Matter II**	\$220/day
Simple Machines Technology*	\$35/class
Sound	\$35/class
Sound for PreK	\$35/class
Sound Waves	\$35/class
Static Electricity	\$35/class
Weather*	\$50/class
Weather & Climate*	\$35/class

*60-minute workshop.
